

Corrigendum: Transcriptional Control of Human Adipose Tissue Blood Flow

Patricia Perez-Matute, Matthew J. Neville, Garry D. Tan, Keith N. Frayn and Fredrik Karpe

Obesity 17, 681–688 (2009)

Following the publication of this article, the authors noted that the legends to Table 2 and Table 3 were reversed. The legend to Table 2 should read “Correlation analyses between ATBFAVE and gene expression ($\Delta\Delta CT$).” The legend to Table 3 should read “Correlation analyses between ATBFRES and gene expression ($\Delta\Delta CT$).”
